

SCRATCHER

Meaning: SCRATCHER: A device or object designed for animals, particularly cats or dogs, to scratch or chew on for grooming or play.

1. The cat eagerly approached the new scratcher, its claws twitching in anticipation.
2. After trying several brands, I finally found a scratcher that my dog loves to chew on.
3. The scratching post was adorned with colorful toys to entice the cat and encourage play.
4. For the best results, place the scratcher near your pet's favorite lounging area.
5. I couldn't believe how much my kitten enjoyed the tall, multi-level scratcher I bought her.
