

SCROUGE

Meaning: Scrounge: a person who habitually seeks to obtain something, especially money or resources, by relying on others rather than contributing or spending their own.

1. The wealthy businessman was often labeled a scrounge for refusing to donate to local charities.
2. Despite his fortune, he had a reputation as a scrounge, always looking to cut corners and save money.
3. Her friends often joked that she was a scrounge because she would never buy a round at the bar.
4. He managed to scrounge a few extra dollars by selling his old textbooks online.
5. In a world full of luxury, he chose to live like a scrounge, finding joy in simplicity.
