

SCUTAGE

Meaning: Scutage is a payment made by a vassal to a lord in lieu of military service, particularly in medieval times.

1. In medieval times, lords would often offer scutage as an alternative to military service.
2. The knight decided to pay scutage rather than risk his life on the battlefield.
3. Scutage was a method for the king to maintain his army without imposing direct service on his vassals.
4. By opting for scutage, many feudal lords could focus on their lands instead of warfare.
5. The concept of scutage reflects the evolving nature of loyalty and service in the feudal system.
