

SEA-MAIL

Meaning: Sea-mail refers to a method of shipping goods or correspondence by sea, typically at a lower cost but with longer delivery times.

1. The artist decided to send her paintings via sea-mail to reduce shipping costs.
2. After weeks of waiting, he finally received a letter sent by sea-mail from his friend overseas.
3. Sea-mail is often the most economical option for sending large packages internationally.
4. She was pleasantly surprised by the detailed updates included in the sea-mail she received.
5. The family opted for sea-mail to deliver their gifts, allowing them to arrive just in time for the holidays.
