

SEABEARD

Meaning: Seaboard (noun): A long, often tangled beard worn by sailors, symbolizing their adventures at sea and sometimes attributed with mythical qualities.

1. The old sailor wore a seaboard that told tales of countless adventures on the high seas.
2. Children gathered around the storyteller, captivated by the legend of the seaboard and its mystical powers.
3. His seaboard, thick and tangled, seemed to dance in the salty breeze as he recounted his voyages.
4. In the quaint seaside village, the local fishermen often joked about the man with the seaboard who could predict the weather.
5. As the sun set over the horizon, the glow highlighted the unique texture of his seaboard, making him look almost mythical.
