

SEAPOY

Meaning: Seapoy: a soldier in the army of colonial India, typically of Indian origin, who served European powers, especially the British.

1. The seapoy stood guard at the entrance, his uniform crisp and polished.
2. In the colonial era, a seapoy often faced the complexities of loyalty and duty.
3. The seapoy played a crucial role in the military operations across the Indian subcontinent.
4. As tensions rose, the seapoy became a symbol of both oppression and rebellion.
5. Many young men aspired to join the ranks of the seapoys, drawn by promises of adventure and pay.
