

SEASHORE

Meaning: Seashore: the land along the edge of the sea, typically characterized by sand, rocks, and coastal vegetation.

1. The children built sandcastles along the seashore, their laughter echoing in the salty breeze.
2. As the sun began to set, the seashore transformed into a canvas of vibrant colors reflected on the water.
3. Shells of various shapes and sizes dotted the seashore, each telling a story of the ocean's tides.
4. Walking barefoot on the seashore, I could feel the cool sand and the gentle waves lapping at my feet.
5. The seashore was quiet this early in the morning, with only the sound of seagulls and the rhythm of the waves.
