

# SEAVY

*Meaning: Seavy (adjective): characterized by or resembling the heavy, turbulent motion of waves or clouds, often associated with stormy weather.*

1. The seavy waves crashed against the rocky shore, creating a mesmerizing display of nature's power.
2. As the storm approached, the seavy clouds loomed ominously over the horizon.
3. The fishermen returned with their nets full, grateful for the bountiful catch despite the seavy conditions at sea.
4. With each passing moment, the seavy scent of saltwater filled the air, reminding us of the ocean's presence.
5. The children ran along the seavy beach, laughing as the water splashed around their feet.
