

SEDILIA

Meaning: Sedilia refers to a set of seats or benches, typically found in a church sanctuary, designated for the clergy during services.

1. The sedilia in the old cathedral were ornately carved, showcasing the craftsmanship of its builders.
2. During the church service, the priest took his place on the sedilia, a prominent feature of the sanctuary.
3. Visitors often admire the intricate designs of the sedilia, which date back to the 15th century.
4. In some historic churches, the sedilia are positioned alongside the altar, symbolizing the importance of the clergy.
5. The restoration of the sedilia revealed vibrant colors that had been obscured by years of neglect.
