

SEEMINGNESS

Meaning: Seemingness refers to the quality of appearing to be something different from what is actually the case, often creating a deceptive facade.

1. The seemingness of her confidence masked her underlying insecurities.
2. In literature, the concept of seemingness often blurs the line between reality and illusion.
3. Their relationship was defined by a troubling seemingness of happiness that hid deeper issues.
4. Philosophers often debate the nature of seemingness and how it influences our perception of truth.
5. The seemingness of order in the chaos of the city was both comforting and deceptive.
