

SEGREGATION

Meaning: Segregation is the practice of separating individuals or groups based on characteristics such as race, ethnicity, or social status, often resulting in unequal treatment and access to resources.

1. Segregation in schools has long been a contentious issue in American history.
2. The city implemented policies aimed at ending racial segregation in public housing.
3. Many activists fought against the segregation of public spaces during the civil rights movement.
4. The effects of segregation can still be seen in the unequal distribution of resources in neighborhoods.
5. Segregation not only divides communities but also perpetuates social inequalities.
