

SEIGNEURIAL

Meaning: Seigneurial refers to a system or structure related to the lordship and feudal estates, particularly in medieval Europe, where lords held authority over land and the peasants who worked it.

1. The seigneurial system shaped the social hierarchy of medieval Europe.
2. In the seigneurial domain, peasants were often bound to the land they worked.
3. The lavish estate was a testament to the seigneurial wealth accumulated over generations.
4. Many historical novels delve into the complexities of seigneurial obligations and rights.
5. The decline of the seigneurial authority marked a significant shift towards modern governance.
