

SEIGNIOR

Meaning: Seignior: a lord or nobleman who holds authority over a specific territory and its inhabitants, particularly in a feudal system.

1. The seignior of the village held a grand feast to celebrate the harvest.
2. In medieval times, a seignior had both power and responsibility over the lands and peasants.
3. The seignior's lavish lifestyle was supported by the taxes and rents paid by his tenants.
4. Many peasants resented the seignior for the heavy burdens imposed upon them.
5. As the seignior, he was expected to provide protection and justice to his subjects.
