

SEIGNIORAL

Meaning: Seignioral refers to the rights and privileges associated with a lord or seigneur, particularly in relation to land ownership, taxation, and social hierarchy in feudal societies.

1. The seignioral privileges granted to the lord allowed him to collect taxes from the village.
2. In many medieval societies, the seignioral system dictated the social and economic hierarchies of the time.
3. Her research focused on the seignioral rights of landowners during the feudal period in Europe.
4. The seignioral responsibilities included not only governance but also the protection of the peasants on the estate.
5. Despite the decline of the seignioral system, its impacts can still be felt in contemporary land ownership laws.
