

SELECTMAN

Meaning: A selectman is an elected official in a town or municipality responsible for overseeing local government operations and representing the interests of the community.

1. The selectman proposed a new community park initiative during the town meeting.
2. Residents appreciated the selectman's efforts to improve local infrastructure.
3. After years of dedication, the selectman was re-elected with overwhelming support from the community.
4. The selectman addressed concerns about rising property taxes in his latest newsletter.
5. During the election, many candidates campaigned to replace the long-serving selectman.
