

SELF-AGGRANDIZEMENT

Meaning: Self-aggrandizement is the act of promoting oneself as being powerful or important, often by exaggerating one's achievements or belittling others.

1. The politician's speech was filled with self-aggrandizement, as he constantly highlighted his own achievements over those of his peers.
2. Her self-aggrandizement became apparent when she belittled her colleagues' contributions during the team meeting.
3. Critics argue that the author's latest memoir is largely an exercise in self-aggrandizement rather than a genuine reflection of her life.
4. Self-aggrandizement often leads to misunderstandings in relationships, as it can create an imbalance of respect and appreciation.
5. In his quest for fame, he engaged in self-aggrandizement, often overlooking the collective efforts that contributed to his success.
