

SELF-ANNIHILATION

Meaning: Self-annihilation refers to the act of destroying oneself, often as a result of profound despair or existential struggle.

1. Self-annihilation can emerge as a desperate act in the face of overwhelming despair.
2. The protagonist in the novel grapples with the concept of self-annihilation throughout his journey.
3. Philosophers have long debated whether self-annihilation is a form of liberation or simply a tragic end.
4. In extreme cases, self-annihilation may be seen as a rejection of societal norms and expectations.
5. The artist's latest work explores themes of self-annihilation and the quest for identity in a chaotic world.
