

SELF-INTERESTED

Meaning: Self-interested refers to acting primarily for one's own benefit or advantage, often disregarding the needs or welfare of others.

1. Many politicians are often accused of being self-interested, prioritizing their own agendas over the needs of their constituents.
2. In a competitive business environment, self-interested decisions can sometimes lead to short-term gains but long-term consequences.
3. While it is natural to act in self-interested ways, true leadership requires consideration for the greater good.
4. Her self-interested behavior in the workplace created tension among her colleagues, who felt undermined and unappreciated.
5. Self-interested motives can cloud judgment, making it difficult to see the broader impact of one's actions on the community.
