

# SELF-SUSPENDED

*Meaning: Self-suspended refers to an object that is supported in a way that allows it to remain in a stable position without external support, often giving the illusion of floating.*

1. The artist created a self-suspended sculpture that seemed to float effortlessly in mid-air.
2. During the experiment, the self-suspended pendulum demonstrated the principles of gravity and motion.
3. Her self-suspended state allowed her to reflect deeply on her life choices without distractions.
4. The engineers designed a self-suspended bridge to withstand strong winds and heavy loads.
5. The self-suspended animation in the video game kept players engaged for hours on end.
