

SELF-WORSHIP

Meaning: Self-worship is an excessive admiration or devotion to oneself that can result in arrogance and social alienation.

1. Self-worship can lead to an inflated sense of self-importance that alienates others.
2. In a culture obsessed with personal branding, self-worship often masquerades as self-love.
3. The danger of self-worship lies in its ability to blind individuals to their flaws and the needs of those around them.
4. Her self-worship was so pronounced that she struggled to accept any constructive criticism from her peers.
5. Instead of fostering genuine relationships, self-worship can create a hollow existence where validation is sought externally.
