

SEMI-PELAGIAN

Meaning: Semi-Pelagian refers to a theological perspective that asserts that human cooperation with divine grace is necessary for salvation, contrasting with the belief in total depravity and unconditional grace.

1. The semi-Pelagian perspective emphasizes human cooperation in the process of salvation.
2. Many theologians debate the implications of semi-Pelagianism in contemporary Christian doctrine.
3. In a semi-Pelagian view, grace is seen as a guiding force rather than a determining factor in salvation.
4. The controversy surrounding semi-Pelagian beliefs has led to significant discussions in ecclesiastical history.
5. Critics of semi-Pelagianism often argue that it undermines the necessity of divine grace in achieving salvation.
6. The semi-Pelagian view emphasizes human cooperation in the process of salvation.
7. In theological debates, the semi-Pelagian stance is often contrasted with strict Augustinianism.
8. Many scholars argue that semi-Pelagianism provides a balanced approach to free will and divine grace.
9. The church's historical response to semi-Pelagianism shaped its doctrines on original sin and redemption.
10. Critics of semi-Pelagianism contend that it undermines the necessity of divine intervention in salvation.
