

SENDER

Meaning: Sender: a person or entity that transmits or dispatches a message, package, or communication to another party.

1. The sender of the mysterious package remained anonymous, leaving everyone puzzled.
2. In today's digital age, the sender's email address can often reveal their true identity.
3. She felt a sense of anticipation as she opened the letter from the sender she had been waiting for.
4. The sender confirmed that the shipment would arrive by the end of the week.
5. To ensure delivery, make sure to provide the correct address to the sender.
