

# SENTERY

*Meaning: SENTERY (noun): A guard or sentinel stationed to watch over a specific area or location.*

1. The sentery stood watch over the ancient ruins, vigilant against any intruders.
2. As the sun set, the sentery's silhouette became a dark outline against the vibrant sky.
3. Every evening, the sentery would recount tales of bravery to the new recruits.
4. The sentery's keen eyes spotted movement in the shadows, alerting the others.
5. In times of peace, the sentery would share stories of past battles with the villagers.
