

SEPARATION

Meaning: Separation refers to the act or state of dividing or keeping apart entities, such as institutions or groups, to ensure distinct roles or boundaries.

1. The separation of church and state is a fundamental principle in many democracies.
2. After years of conflict, the separation between the two communities became increasingly evident.
3. The couple decided that a trial separation would help them evaluate their relationship.
4. The scientist studied the separation of molecules in order to develop a new filtration system.
5. Emotional separation can sometimes be more challenging than physical distance.
