

SEPTEMVIR

Meaning: Septemvir: a member of a governing body or council of seven individuals, particularly in ancient Rome, tasked with specific duties such as overseeing religious or civic responsibilities.

1. The ancient Roman septemvir was responsible for overseeing various religious rituals.
2. In some cities, a septemvirate was established to manage civic duties more effectively.
3. The political landscape shifted dramatically when a powerful septemvir rose to prominence.
4. Historians often debate the influence of the septemvirs on the governance of the Republic.
5. During the festival, the septemvir led the procession, representing the authority of the state.
