

SERAI

Meaning: Serai: a roadside inn or lodging place, especially in Middle Eastern or South Asian contexts, providing shelter and rest for travelers.

1. The travelers sought refuge in the serene serai after a long day of journeying through the desert.
2. In the heart of the bustling market, a beautifully adorned serai stood as a testament to the region's rich architectural heritage.
3. As the sun set, the courtyard of the serai filled with laughter and music, welcoming guests from far and wide.
4. The historical serai served not only as a resting place but also as a cultural hub for local artisans and musicians.
5. Visitors to the ancient serai marveled at the intricate tile work and the peaceful ambiance that enveloped the space.
