SERIN

Meaning: Serin: a small, brightly colored songbird belonging to the finch family, known for its cheerful singing and typically found in Europe and parts of Asia.

1. The serin perched on a branch, singing its sweet melody as the sun rose.
2. In the garden, the bright yellow feathers of the serin caught the morning light.
3. Birdwatchers eagerly awaited the arrival of the serin during the spring migration.
4. Despite its small size, the serin displayed a bold personality around larger birds.
5. The serin is known for its distinctive song, which can be heard from afar.
