

SESQUIPEDALITY

Meaning: Sesquipedality refers to the use of long, complex words or a tendency to employ an elaborate vocabulary.

1. The professor's sesquipedality often left students bewildered by his elaborate vocabulary.
2. In her quest for eloquence, she embraced sesquipedality, even when simpler words would suffice.
3. Critics noted that his sesquipedality was more an obstacle than an asset in his writing style.
4. During the debate, his sesquipedality impressed some, but alienated others who preferred clarity.
5. The author's penchant for sesquipedality made her works both challenging and rewarding to read.
