

# SHEEP-SHEARER

*Meaning: A sheep-shearer is a person who trims the wool from sheep, typically during the annual shearing season.*

1. The sheep-shearer worked tirelessly under the hot sun to prepare the wool for market.
2. Every spring, the farm hired a skilled sheep-shearer to ensure the flock was comfortable for the warmer months.
3. After watching the experienced sheep-shearer in action, I realized how much skill and precision the job required.
4. The sheep-shearer's deft hands moved quickly, transforming the fluffy coats into neat piles of wool.
5. Local farmers praised the sheep-shearer for his ability to handle even the most restless sheep with ease.
