

SHEEPFOLD

Meaning: A sheepfold is an enclosed area or shelter where sheep are kept for protection and safety, particularly at night.

1. The shepherd led the flock into the sheepfold as dusk began to settle.
2. In the quiet countryside, the sheepfold provided shelter from the chilling night air.
3. Children played near the old sheepfold, imagining it as a castle surrounded by knights.
4. The sturdy wooden fence of the sheepfold kept the sheep safe from wandering predators.
5. As the sun rose, the sheepfold came alive with the sound of bleating lambs eager for breakfast.
