

SHIPLESS

Meaning: Shipless refers to a state or condition of being without ships, particularly in a harbor or maritime context.

1. The shipless harbor echoed with the sounds of seagulls, a stark contrast to its once-bustling activity.
2. In a shipless world, we would have to rely on other forms of transport to navigate the vast oceans.
3. The artist captured the essence of a shipless coastline, where land met sea without a vessel in sight.
4. Feeling shipless after the storm, the fishermen gathered on the shore to share stories of their lost boats.
5. During the festival, the shipless community celebrated their maritime heritage despite lacking vessels to showcase.
