

SHIPPER

Meaning: Shipper: a person or company that sends goods or packages to another location.

1. The shipper ensured that all packages were securely packed and labeled for the journey.
2. After reviewing the shipping options, the company decided to switch to a new shipper for better rates.
3. The shipper provided real-time tracking information, allowing customers to monitor their shipments' progress.
4. To avoid delays, the shipper requested that all customs paperwork be completed before dispatch.
5. Communicating directly with the shipper helped the retailer resolve issues with delayed deliveries.
