

# SHOAT

*Meaning: A shoat is a young pig, especially one that is weaned and typically between the ages of 2 to 6 months.*

1. The farmer was excited to see the shoat running around in the pen.
2. After a few weeks, the shoat began to grow rapidly and show its playful nature.
3. She decided to name the shoat after her favorite childhood character.
4. The shoat wandered off, exploring the surroundings with curiosity and energy.
5. As the sun set, the shoat snuggled close to its mother, content and safe.
