

SHORELESS

Meaning: Shoreless: lacking a shore; having no land or boundaries, often describing an endless expanse of water.

1. The vast ocean lay before them, a shoreless expanse that seemed to stretch into eternity.
2. In her dreams, she often wandered through a shoreless landscape, where the sky met the sea in a seamless embrace.
3. He felt lost in the shoreless depths of his emotions, unable to find solid ground amidst the turmoil.
4. The shoreless waters reflected the twilight sky, creating an illusion of infinity and tranquility.
5. As they sailed across the shoreless sea, the horizon was both a promise and a mystery waiting to unfold.
