

SHRUBLESS

Meaning: Shrubless: lacking shrubs; devoid of bushy plants, often to highlight open space or visibility.

1. The garden design was intentionally shrubless to emphasize the spaciousness of the lawn.
2. Walking through the shrubless landscape, I could see the distant hills more clearly.
3. In an effort to create a modern aesthetic, the architect proposed a shrubless entryway.
4. The shrubless area around the house made it easier to maintain and clean.
5. Despite its shrubless features, the park was still inviting with its open fields and walking paths.
