

SHRUNKEN

Meaning: SHRUNKEN: reduced in size or volume, often due to drying, washing, or neglect.

1. The shrunken sweater hung lifelessly on the rack, a testament to its many wash cycles.
2. After years of neglect, the once vibrant garden was now a shrunken shadow of its former glory.
3. The shrunken head displayed in the museum sparked both intrigue and horror among the visitors.
4. His confidence felt shrunken after facing repeated setbacks in his career.
5. In the dim light, the shrunken fruit looked almost otherworldly, as if it had come from a forgotten realm.
