

SKIVING

Meaning: Skiving refers to the act of deliberately avoiding work or responsibilities, often by staying away without permission.

1. Skiving off work to spend the day at the beach may seem tempting, but it can lead to trouble.
2. He was caught skiving during the important project deadline, which disappointed his team.
3. After a week of skiving from school, she realized she had fallen behind in her studies.
4. Skiving is often seen as a sign of low motivation or engagement in one's responsibilities.
5. The manager was frustrated with employees skiving, as it affected overall productivity in the office.
