

SLOOP

Meaning: A sloop is a type of sailing boat characterized by a single mast and a fore-and-aft rig, typically designed for speed and maneuverability.

1. The sloop glided gracefully across the calm waters of the bay.
2. With its single mast and sleek hull, the sloop was perfect for racing.
3. As the sun set, the crew of the sloop prepared for an evening sail.
4. They admired the craftsmanship of the vintage sloop moored at the dock.
5. The captain navigated the sloop through the narrow channel with ease.
