

SLOWHOUND

Meaning: A slowhound is a type of dog known for its slow but graceful movements and notable endurance, often used in racing but typically overshadowed by faster breeds.

1. The slowhound paced leisurely through the tall grass, its movements graceful yet unhurried.
2. In the world of racing dogs, the slowhound was often overlooked despite its remarkable endurance.
3. During the nature walk, we spotted a slowhound lounging in the shade, enjoying the warmth of the sun.
4. The slowhound's gentle demeanor made it a beloved companion among the local children.
5. Many enthusiasts admire the slowhound for its unique ability to thrive in a relaxed environment.
