

SLUT

Meaning: 'Slut' is a derogatory term used to insult someone, especially a woman, for perceived promiscuity, though it can also be reclaimed as a symbol of sexual empowerment.

1. The word 'slut' is often used as a derogatory term to demean someone, particularly women, for their sexual behavior.
2. In the heated debate about empowerment, some argue that reclaiming the term 'slut' can turn a negative label into a symbol of freedom.
3. She felt hurt when her friends carelessly tossed around the word 'slut' without understanding its impact.
4. The play challenged societal norms by portraying the main character as a confident woman who embraced her sexuality, defying the label of 'slut'.
5. Using such terms can perpetuate harmful stereotypes and contribute to a culture of shame around sexuality.
