

SMOULDER

Meaning: To smolder means to burn slowly with smoke but no flame, often referring to the remnants of a fire or the lingering heat of something that has been extinguished.

1. The fire continued to smolder long after the flames had died down.
2. He watched the smoldering ruins of the old barn, a reminder of the storm's fury.
3. Her gaze smoldered with intensity as she listened to his passionate speech.
4. The embers smoldered in the fireplace, casting a warm glow across the room.
5. Their unresolved argument left a smoldering tension between them that was hard to ignore.
