

SNAKES-HEAD

Meaning: Snakes-head refers to a type of flowering plant, specifically Fritillaria meleagris, known for its distinctive drooping, checkered flowers that resemble a snake's head.

1. The garden was filled with the vibrant colors of snakes-head flowers swaying gently in the breeze.
2. As spring approached, I eagerly awaited the blooming of the rare snakes-head that I had planted last year.
3. In some cultures, the snakes-head is believed to symbolize protection and resilience in the face of adversity.
4. During our nature walk, we stumbled upon a meadow adorned with clusters of beautiful snakes-head blooms.
5. The delicate, nodding petals of the snakes-head added an enchanting touch to the landscape.
