

SNARLER

Meaning: A snarler is someone or something that growls, snaps, or shows aggression, often indicating agitation or hostility.

1. The snarler in the back of the room was clearly agitated by the speaker's remarks.
2. As the dog approached, it let out a low growl, revealing itself to be a snarler rather than a barker.
3. The snarler's reputation for being aggressive kept most people at a safe distance.
4. During the argument, he became a snarler, lashing out with sharp words and fierce gestures.
5. In the wild, the snarler often relies on intimidation to assert dominance over its territory.
