

SNAW

Meaning: SNAW (noun): A Scottish term for snow, particularly in its soft, fallen form.

1. The children ran outside to play in the soft, white sna w that had blanketed the yard overnight.
2. As the sna w fell gently from the sky, it transformed the landscape into a winter wonderland.
3. He slipped on the sna w-covered steps, realizing too late that he should have been more careful.
4. The sna w crunched beneath our boots as we made our way to the cabin in the woods.
5. After weeks of anticipation, the first real sna w of the season finally arrived, bringing joy to everyone in town.
