

SNOBBERY

Meaning: Snobbery is the attitude or behavior of someone who believes they are superior to others based on social class, tastes, or status, often resulting in disdain for those perceived as inferior.

1. Her snobbery was evident in the way she dismissed anyone who didn't share her elite tastes.
2. The town's snobbery made it difficult for newcomers to feel welcome and accepted.
3. He often criticized her snobbery, believing that true sophistication should be inclusive and humble.
4. Despite his wealth, he tried to avoid the snobbery that often accompanied his social circle.
5. The artist's disdain for snobbery resonated with many, as he championed authenticity over superficiality.
