

# SOLICITANT

*Meaning: Solicitant: a person who seeks something, such as a proposal, job, or opportunity, often through formal application or request.*

1. The solicitant approached the committee with a well-prepared proposal.
2. In a competitive job market, each solicitant must stand out from the rest.
3. The solicitant's enthusiasm during the interview was contagious and inspiring.
4. After reviewing the applications, the board invited the most promising solicitants for an interview.
5. The solicitant provided all necessary documents to support their application.
