

SONATINA

Meaning: A sonatina is a short, light musical composition, typically for piano or a small ensemble, often structured in several movements.

1. The composer decided to showcase his latest sonatina at the annual music festival.
2. Her sonatina for piano and flute captivated the audience with its playful melodies.
3. During the masterclass, the instructor emphasized the importance of dynamics in interpreting a sonatina.
4. Many students begin their classical piano studies with a sonatina as it offers both challenge and simplicity.
5. The sonatina's cheerful themes contrasted beautifully with the somber piece that followed in the concert.
