

SOREE

Meaning: 'Soree' is an informal variation of 'sorry,' often used to express regret or apology.

1. I'm really sorry, but I can't make it to the party; I have a prior engagement, soree.
2. He was genuinely soree for missing the important meeting, but unforeseen circumstances arose.
3. After realizing the mistake, she quickly sent a soree message to her friend to explain.
4. The father felt soree for not being able to attend his daughter's performance due to work commitments.
5. With a heartfelt soree, he apologized for any misunderstandings that had caused tension between them.
