

# SORTITION

*Meaning: Sortition is the process of selecting individuals for public office or decision-making roles through random selection, rather than through elections.*

1. Sortition has been used throughout history as a method to select officials in a manner that avoids the pitfalls of electioneering.
2. In recent discussions about democratic reform, sortition has emerged as a compelling alternative to traditional voting systems.
3. The concept of sortition challenges the notion that only the most popular candidates should hold public office.
4. Many proponents of sortition argue that it can lead to more representative and equitable governance.
5. By employing sortition, communities can ensure that diverse voices are included in decision-making processes.
