

# SPINACEOUS

*Meaning: Spinaceous: having spines or thorn-like structures, often referring to plants with prickly or jagged leaves.*

1. The spinaceous leaves of the plant provided a striking contrast against the vibrant flowers.
2. In the garden, the spinaceous varieties of vegetables were often overlooked due to their thorny appearance.
3. Her spinaceous personality made her both intriguing and difficult to approach at times.
4. The spinaceous texture of the fish made it a challenging but rewarding dish to prepare.
5. Botanists often study spinaceous species to understand their adaptations to harsh environments.
